

Cancellation Policy/Payment Terms & Conditions

Revised March 4, 2011

Events

Silent Meditation Gatherings

Silent Meditation Gatherings are subject to a 7-day cancellation period. You may cancel your registration for a six-month block of meditations up to 7 days before the first sitting of the series. After that, you are committed to attending and paying for all the gatherings in the 6 month period you registered for. Payment is due at the event; if you miss a meditation, we will charge the credit card you provided upon registration for the missed event.

Half-day and Daylong Retreats

All half-day and daylong retreats are subject to a 21-day cancellation period. If you cancel outside of the 21 day period, you will be refunded the full cost of the retreat. If you must cancel within 21 days of the retreat day, we will attempt to fill your spot. If we can, you will be fully refunded; if not, you forfeit your full payment.

Additional Cancellation Fee for Retreat Series

In addition to the standard 21-day cancellation period, retreat series are subject to a cancellation fee. If you cancel participation in your series more than 21 days prior to the next series date, you are subject to a \$50 cancellation fee. If you cancel within 21 days, you are responsible for the full cost of that retreat plus the cancellation fee. If you only need to cancel participation in one of your retreats but wish to remain in the series, you are responsible for the full cost of that retreat (but not the cancellation fee).

Subscriptions

Subscribers may cancel their subscription service at any time by sending written notification to The Sound of Rain at info@soundofrain.org or calling our office at (503) 452-8858. If written notice is received on or before the 20th of the month, cancellation will go into effect in the upcoming month. Otherwise, cancellation will take effect in the month following the upcoming month. (Example: If the subscriber cancels June 13th there will be no charge for and no transcripts sent in July and onward. If the subscriber cancels June 25th, (s)he will receive and be charged for July's subscription, but not for August and onward.)
